

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 147

January 12, 2021

SUMMARY OF BILL: Prohibits the Department of Environment and Conservation (TDEC) from requiring any permit, inspection, or review or approval of plans for the construction, installation, or modification of any land application system authorized pursuant to Tenn. Code Ann. § 69-3-105(l).

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Based on information previously provided by the TDEC, the bill will result in TDEC no longer being required to review certain construction plans for land application systems.
- The Departments' review of such constructions plans does not impact the necessity to acquire an operating permit or the current cost of such permit; therefore, this legislation is estimated to have no significant impact on state government.
